

Transfer Target

Bern & Jonno are hoping to sign a new striker from France. He has never been to Chester and before he agrees to the move, he wants to know more about the city and the football club. Can you help the managers land their target?

1. Create a spider diagram of things to do in Chester

2. Create a spider diagram of the best things about Chester FC

3. The managers have asked you to create a leaflet on a blank piece of paper to send to the striker. Why not include some pictures of Chester and remember to use WOW words and adjectives to persuade him to make the move!
